Dear Dr. Laughlin,

Congratulations for your new position as President of the ISCT.  
We are pleased to invite you to the First International Symposium of the Latin American Society for Cellular Therapy (LASCT) in the next month of november (6-8) in Montevideo, Uruguay.  
This event will discuss the newest paradigms of cell therapy in the fields of cardiology, endocrinology, neurology and other important areas of the regenerative medicine.  
It will be a pleasure to account with your visit in order to develop de First International Meeting of the LASCT.

Sincerely yours,

Ernesto Novoa MD, FACP  
Secretary
